**Walker Avenue Apartment -
Application Status: Approved**

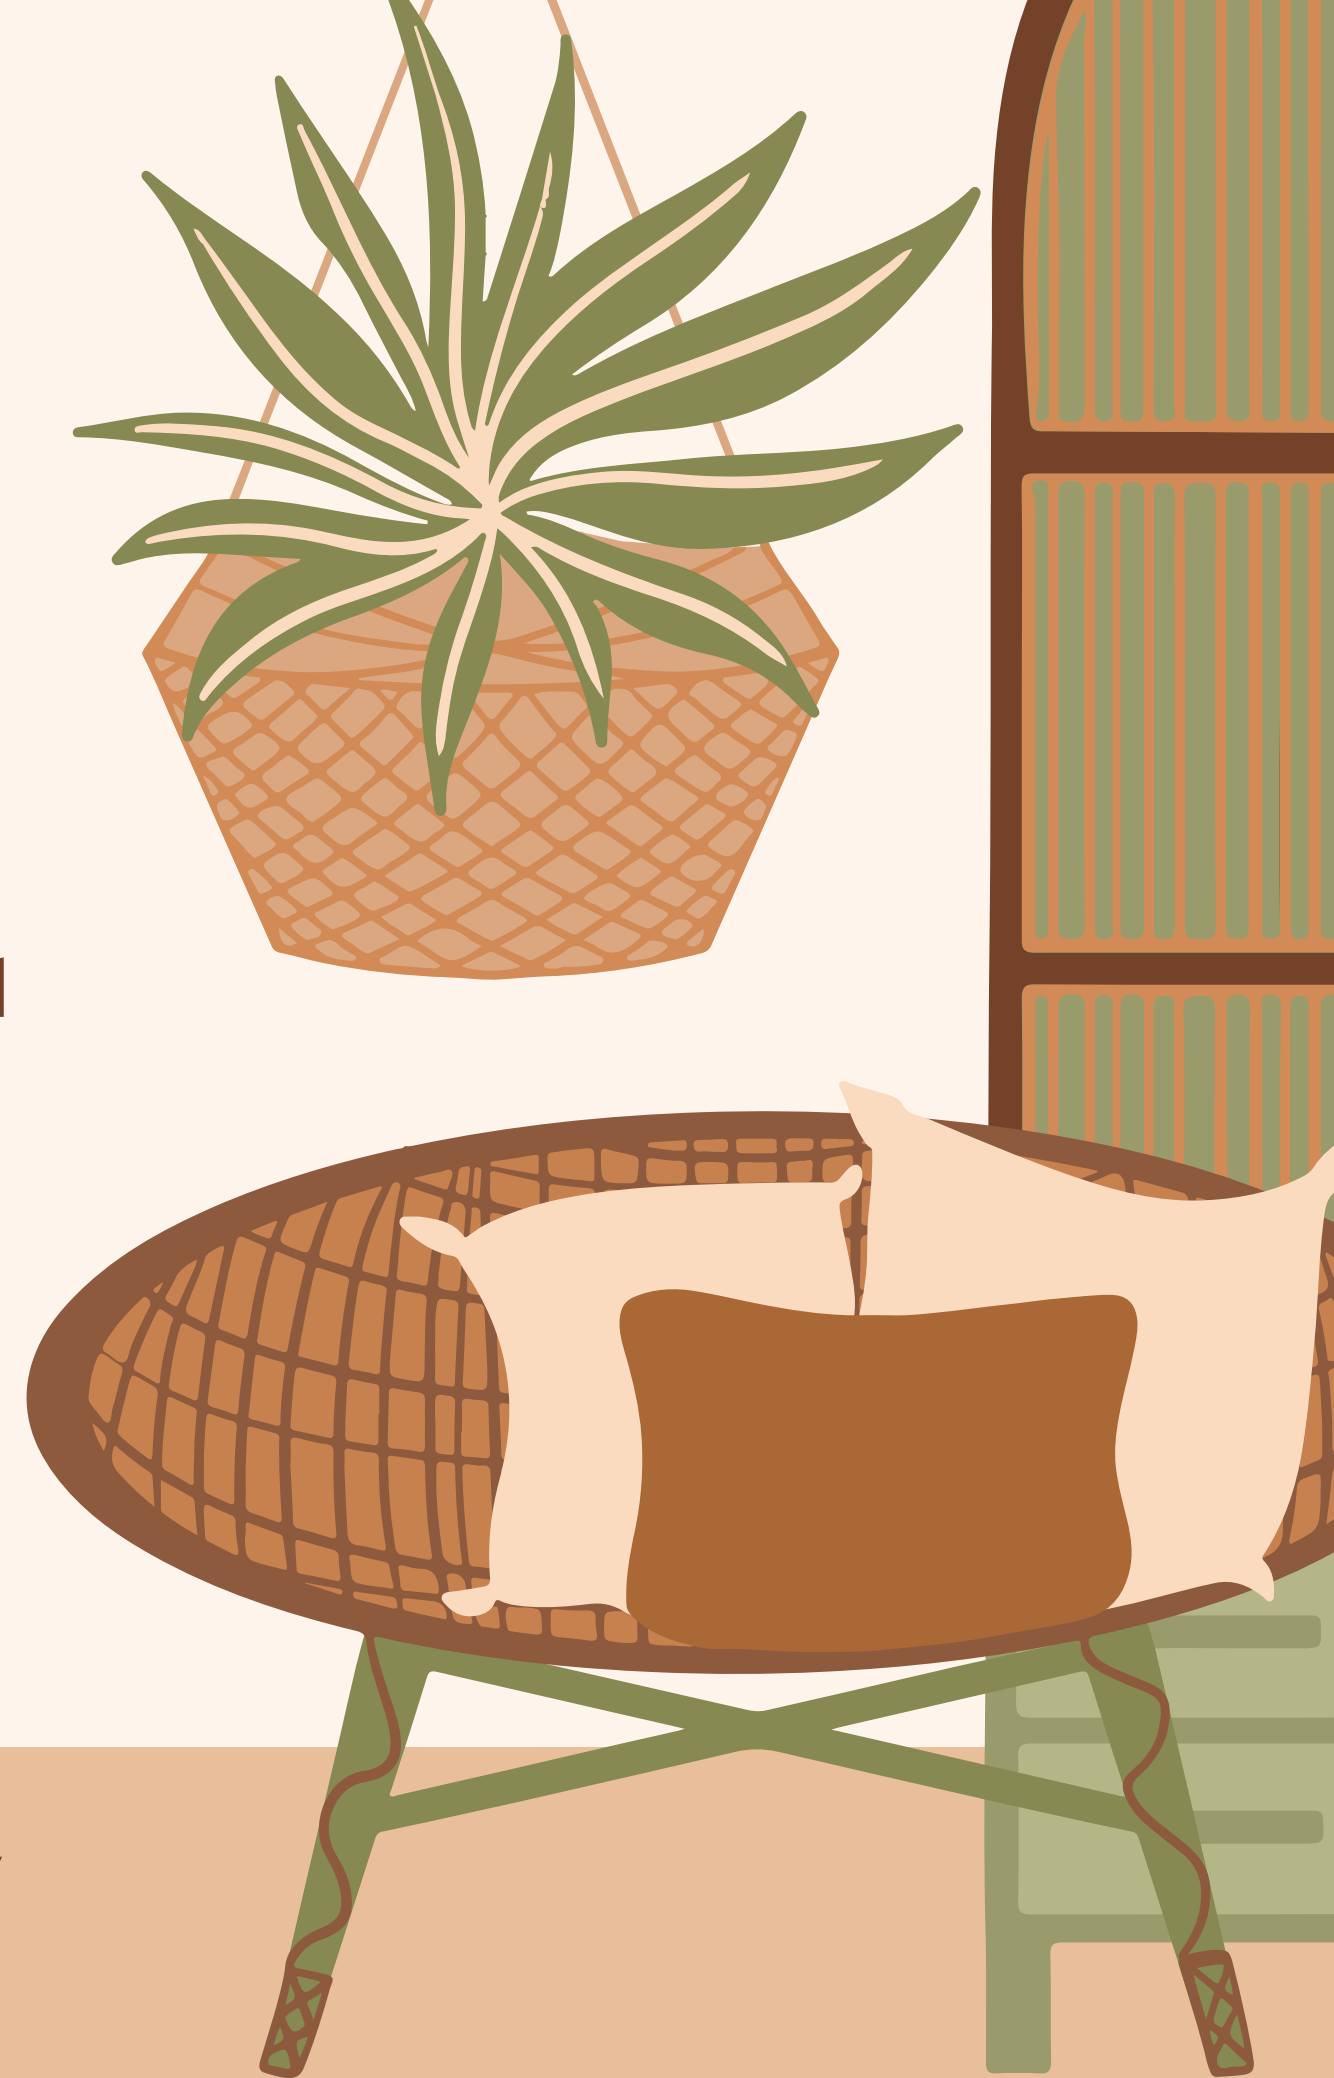

Greetings Nghi,

I hope this email finds you well! I'm pleased to inform you that your housing offer application has been approved. This indicates that our office has received your housing offer application, your registration on Walker's resident portal, and the \$200 housing reservation fee.

License Breakdown

- A housing license is a contract.
- The term of the license is for the **entire academic year**, both Fall and Spring semesters.
- **Annual License (12-month housing):** The license start date will be from May 30, 2025, to May 21, 2026. This is the only license that includes housing during the summer time at Walker.
- **Academic License (9-month housing):** The license start date will be from August 25, 2024, to May 21, 2026.

The rate you pay for your chosen apartment will vary based on the type of license you hold.

Form A Roommate Group

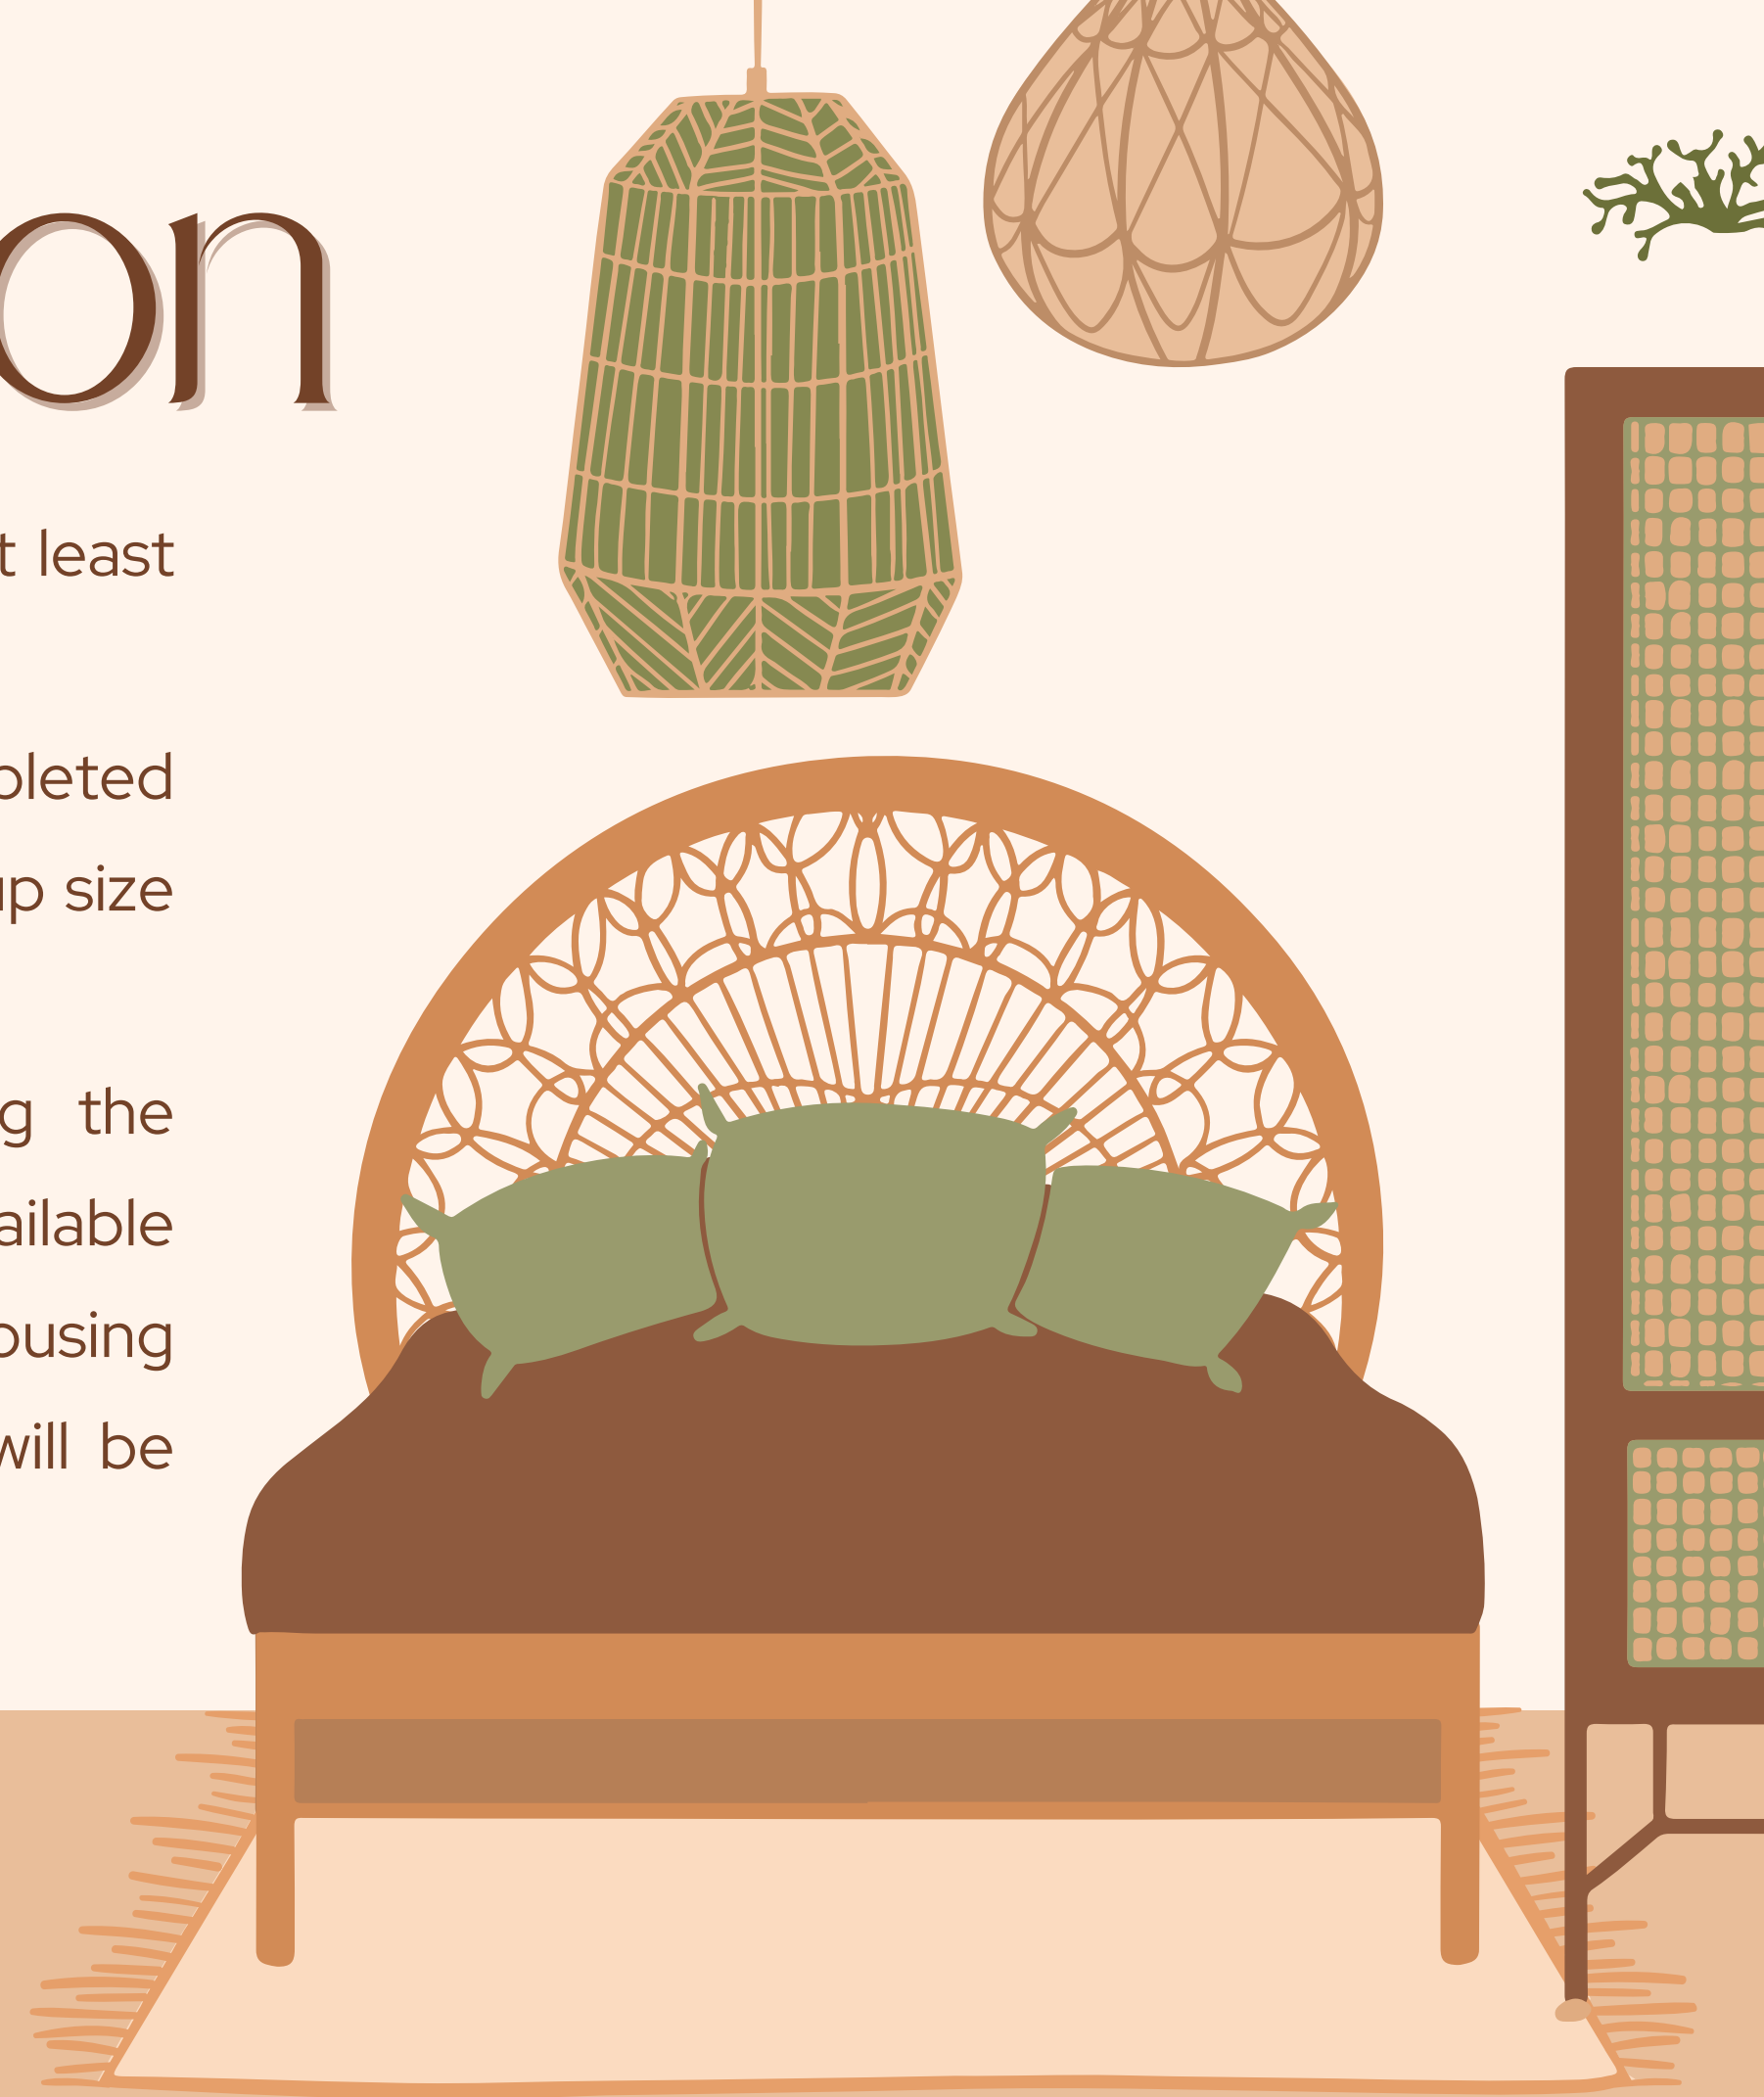

- This step is optional.
- You may create groups of 2 or 4. A group of 3 must receive approval from the Licensing Coordinator, as there are limited spaces available for this type of apartment.
- Roommate groups can only be formed with students who have completed the Walker Housing Selection Application and have paid the reservation fee.
- Groups that do not adhere to the size requirements or include students who haven't finalized their housing licenses will be deemed incomplete and may be separated.

Group Formation does not accommodate incoming freshmen or transfer students as roommates due to the different housing selection timelines.

Room Selection

- Your group's selection time will be sent to your UMBC email at least two days prior to the beginning of the selection period.
- Selection times are determined by your group's average completed credits and the specific selection process you are part of. Group size and class year do not influence the assigned times.
- The group leader must log into the housing portal during the designated selection time to choose a room from the available options. Groups that do not select a room by the end of the Housing Selection period are still guaranteed housing at Walker and will be assigned by the Licensing Coordinator during the summer.

What Should I Do If I Missed the Housing Selection Process?

- Applications submitted after the cut-off deadline will be placed on the Walker waitlist for housing offers beginning April 14, 2025. Offers will be extended on a first-come, first-served basis according to the submission time of applications.
- Because offers are sent out early, students who receive them are guaranteed a single-bedroom space in a four-bedroom apartment, available under an academic license only.
- Requests for other accommodations, including roommate groups and apartment types, will be considered based on the availability of spaces at that time.

Assignments for these housing offers will be available on July 15, 2025.
